Voluntary Student Accident Insurance

July 1, 2023

Dear Parents and Guardians,

The Ripon Area School District does not provide health or accident insurance for injuries incurred by your child while at school or while participating in interscholastic sports. As a service to families, our district is making available a student accident insurance plan for your child.

You might purchase this insurance coverage if you have a high deductible and/or copayments for services in your health insurance plan. You also might purchase this insurance if you do not have health insurance.

This plan will provide benefits for medical expenses incurred because of an accident. If you have other insurance, benefits can be applied to your deductible or co-pays. If you have no other insurance, this will become your primary accident plan.

To view a brochure with more information, visit <http://bit.ly/3WXMBKe>. To purchase coverage online, visit www.1stAgency.com, click Wisconsin > Go > Ripon Area School District.

All questions regarding this coverage should be directed to First Agency, Inc. at (800) 243-6298.

Thank you,
