Ripon Area School District Confirms Student Expulsions

Ripon - The District can confirm that at its special meeting on Tuesday evening, the Board of Education did expel two students for engaging in conduct while at school and under the supervision of school authorities which endangered the health and safety of others, which in this case involved drugs. The Board determined that the students are both eligible for early readmission before the expiration of the respective expulsions. An expulsion decision and conditions are determined based upon the specifics of each situation. They are intended to create a balance between protecting others while also assisting the student in learning from the mistakes made. The District takes matters involving safety at school very seriously and did in this case resulting in the expulsion of two students.
