April 2016

Dear Parents:

Ripon Physicians are opening their offices for WIAA sports physicals on Wednesday, April 13th, 2016 at no cost to the parents of Ripon, Rosendale-Brandon, Green Lake, Markesan and Princeton School District's athletes.

In order to be eligible for a free physical, an initial physical exam for sports competition must be done with the athlete's family physician at the parent's expense. The every-two-year-update exam required by the WIAA is the one being offered by Ripon Physicians from ThedaCare Physicians - Ripon (formerly CHN, Medical Center - Ripon), for students' grades 7-11. It is recommended that students with an ongoing medical condition have their examination done by the athlete's family physician.

These are free physicals for sports and not for camp physicals. DO NOT expect doctors to complete camp forms. It is highly recommended that students wear shorts and a t-shirt to the clinics.

THE GREEN PHYSICAL FORM (ATTACHED) MUST BE COMPLETED AND SIGNED BY PARENT AND BROUGHT TO THE FREE PHYSICAL.

Athletes not able to participate on this date must make their own arrangements with their physician at their expense. There will not be makeup dates.
