

2016-2017 Welcome Back

Hello RASD Families & Students,

Welcome to the 2016-17 school year. I wanted to share a few notes about the RASD food services. My dedicated staff and I work hard to ensure your children have a great experience every time they visit the cafeteria. Last year, we provided over 64,000 meals!

*** K-12 Breakfast:** Considered by many to be the most important meal of the day! Students can grab a breakfast to eat in the cafeteria or grab n' go for a breakfast in the classroom at any school. We offer a variety of options each morning. Breakfast is available 15 minutes before school starts. MP, MS, & HS have additional, second-chance breakfast times each morning. \$1.45 for k-12 students, \$0.35 reduced and \$2.50 for adult/guests.

***K-12 Lunch:** Students can purchase a daily entrée choice along with fruits, veggies, whole grains, and milk. We offer a wide variety of options to choose in each food group. We also feature farm to school apples from Heritage Orchard and guest Chefs for Chef on Demand. We love to have guests join us for any meal, just call the school office to make arrangements. MS/HS students & guests may use their account or use cash for purchases.

K-5students: \$2.70 6-12Students: \$2.80 Reduced: \$0.45 Guests/Adults: \$3.50 with milk

A la carte milk: \$0.35

***K-12 A la Carte:** All students are welcome to purchase extra milk or an extra entrée. Students at the **middle or high** school may purchase additional snacks and beverages (in accordance to the USDA healthier schools standards). Students may pay cash or use their student meal account for these items. Any entrée purchased without fruits, veggies, and a milk will be considered an a la carte purchase. If you do not wish your student to purchase additional items, please talk with them and also let the head lunch cashier know at 920-748-4600. Please remember, extra milk with a lunch from home is considered an a la carte purchase.

***Field Trips:** Field trip (Trek-Paks) are available to any student who will be on a fun day away from school. The teaching staff will work with each class to order the meals. Student accounts are charged accordingly, see lunch pricing.

***Food allergies:** Please connect with Mary Lyke or Wendy McCulloch (RASD nursing staff 920-748-4616). Together, we will help make safe meals for your students while at school.

***Payments:** Payments may be made in a variety of convenient ways. Payments (cash or check) may be given to homeroom teachers, school office staff, or directly to the ASC. Online: Please log-in to the Infinite Campus parent portal to check up on account balances. Debit card payments may be made online. Payments received after 10:00am will be deposited the following work day. Applications for free & reduced meals are available at every school office and the ASC. We encourage everyone to apply, as it is a 100% confidential process. Please reach out to us if you need help. If you have any questions, please call the head lunch cashier- 920-748-4600 for help (M-F 8-4).

Breakfast, lunch, morning milk, BRAVE snacks, catering special events, classroom projects, family outreach, showcase events, student council, taste testing, student surveys, fresh picks, field trips, farm to school, student culinary teams, and chef on demand are only a small part of what we do. The big part is, connecting students with healthy, tasty meals. I'm looking forward to the 2016-17 school year. Please come visit us or reach out to me at any time. I love to hear from you!

Thanks again for your continued support,

Briony Storz- Food Service Director
