

# RIPON HIGH SCHOOL EXTRACURRICULAR CODE

## INTRODUCTION

Welcome to Ripon High School extracurricular activities. Participation in extracurricular activities is a privilege, not a right, and as such carries certain responsibilities, which may exceed the responsibilities of students who do not participate. Among these responsibilities are adherence to academic and conduct standards, and in athletics, WIAA minimum standards. Parental involvement and accountability is essential for students to be successful. The signatures of students and their parent(s)/guardian(s) on the extracurricular code Agreement Form (last page) indicate willingness to honor and abide by the code. By doing this, students can take pride in themselves **and** be examples of leadership, self-discipline and teamwork. Thank you in advance for your cooperation and support.

## ELIGIBILITY

The following rules apply to all extracurricular activities and are in force all day, every day of the calendar year throughout the time a student is enrolled in RHS. Every school year the extracurricular code must be signed by student and parent/guardian. Violations and penalties carry over from year to year except as otherwise specifically provided herein. Coaches must explain any changes to the extracurricular code annually at their pre-activity meetings.

Any student wishing to participate in the Ripon High School extracurricular program must meet all requirements listed below.

For all extracurricular activities (including athletics), a student must:

- Attend a pre-activity meeting for any extracurricular program. Parental attendance is recommended.
- Provide signed statement by both parent and student indicating that the extracurricular code has been read and understood by each of them. The statement must be on file as designated by the high school office before a student may participate.
- Maintain a minimum of a 1.5 GPA quarters 1 and 3 and semesters 1 and 2.
- Be enrolled as a full-time student.
- Attend classes the full school day of any event unless officially excused in writing by the high school principal/designee. A copy of the official approval of such an absence will be made available to that student upon his/her request or by request of his/her parent/guardian. (Doctor's appointments, college visits, funerals, are all excused absences.) **Students may not participate in any competition/performance if they are out ill for any or all of the school day without permission from the school administration. Coaches will work with office staff to monitor attendance.**
- Serve any and all detentions by the time designated by the assistant principal/principal.
- Display behavior/conduct consistent with the ideals, principles, and standards of the activity and Ripon High School.

Expulsion renders the student ineligible to participate in any extracurricular activity during the term of the expulsion and upon return from expulsion unless otherwise agreed to in writing by the student, parents and district administrator at the time of the student's return. Convicted felons are ineligible for any extracurricular participation. The grouping described as "convicted felons" is considered to include juveniles convicted of an offense that – if committed by an adult – would be a felony.

**For athletic participation, a student must have completed the following items and have them on file with the high school office before a student may participate:**

- Meet all WIAA eligibility standards (SEE APPENDIX)
- Complete an athletic physical card or alternate year card
- Complete an insurance waiver form
- Complete an emergency form
- Complete a concussion agreement
- Pay all extracurricular fees
- Student and parent/guardian sign extracurricular code annually

## VIOLATIONS AND PENALTIES

### A. ACADEMIC VIOLATIONS AND PENALTIES

In quarters 1 and 3 and semesters 1 and 2

- Earning less than a 1.5 GPA or two or more "F's" results in loss of extracurricular eligibility for the next, consecutive quarter, beginning the day report cards are posted.

#### NOTES:

- #1 Incompletes count as an "F" in this provision until completed. High school administration may waive this provision under extraordinary circumstances.
- #2 Students may restore academic eligibility status by making up failures in specific failed classes during the summer months, if appropriate courses are offered and approved by RHS administration.

### B. CONDUCT

#### REPORTING CONDUCT VIOLATIONS

All reports of violations must be submitted in writing and signed by the person making the report.

The below listed conduct violations will result in the penalties as listed following this section.

#### CONDUCT VIOLATIONS

- Conduct unbecoming a participant.

- Severe behavior which results in suspension from or in school, or other examples of misbehavior which may be found in current student handbook treatments of cheating, removal from class, weapons, truancy, unexcused absences, sexual harassment, other student conduct, and conduct at extracurricular events.
- Chronic misbehavior and/or suspension for misbehavior will result in a conduct violation.
- Use/possession/buying or selling of alcohol, tobacco in any form, any other controlled substance, or prescription medication used by a person or in a manner other than that for which it was prescribed. (Religious use is excluded in this provision.)
- Evidence of participation in conduct that violates state, federal or local law (not traffic violations) will result in a conduct violation. In this instance participation in extracurricular activities will be suspended pending high school administration determination that said conduct merits long-term loss of extracurricular participation privileges. Legal system procedures including offense down-grades of plea bargaining or “first offender” treatments do not preclude high school administration (with district administrator concurrence) from implementing said long-term extracurricular activity suspensions per the full range of options listed in the code - including expulsion related situations.
- The assistant principal/athletic director shall keep a record of any violations and/or penalties assessed until the participant has finished high school. Penalties will be negated after two full years from the date of last conduct violation provided no other conduct violations have occurred.

## **CONDUCT PENALTIES**

### **INTRODUCTION**

This section applies only to penalties assigned by the high school administration. There may be other penalties assigned by extracurricular organizations a student is a member of.

Extracurricular activities are divided into two categories, Category A and Category B. Football cheer and competition cheer and activities that are run by high school organizations under the sponsorship of the WIAA belong to Category A and may be referred to as WIAA Sponsored; all other activities belong to Category B (Non-WIAA Sponsored).

Once a violation of this code has been alleged, school administration (generally the assistant principal/athletic director) will investigate the allegation. That person will determine if a violation occurred, assign an appropriate penalty, involve law enforcement and legal personnel if necessary, communicate with appropriate people, and file a written report with the high school principal. **In all cases the high school administration will contact the student and parent/guardian.**

For logistical reasons including Wisconsin Interscholastic Athletic Association (WIAA) regulations the district has found it preferable to apply penalties, to Category A activities before Category B activities. If a student can be expected to participate in a Category A activity or is participating in a Category A activity, any penalty will be applied to the first Category A activity the student participates in after the penalty is assigned, even if violation occurs in the summer and the activity will not occur until following spring. The high school administration will never assign penalties to multiple activities for the same infraction except # 6 under first conduct violation and #5 under second conduct violation.

**Students are reminded, however, that other organizations may assign their own penalties based on their codes of conduct, standards, and expectations.**

#### ***First Conduct Violation:***

1. The Category A penalty is forfeiture of competition for approximately twenty percent (20%) of the events (see chart). The Category B penalty is forfeiture of one (1) performance or event. (See **CONDUCT PENALTIES - INTRODUCTION**). The high school administration will inform the student and parent/guardian of the start date for the penalty, which cannot be prior to the date of this communication.
2. The student is expected to be present at all practice sessions during this period other than for excused absences from school.
3. The student is ineligible for any personal awards given by school organizations for the activity the penalty has been assigned to. This includes such honors as officer, captain, MVP, Player of the Year, Most Improved, Most Promising, Spirit Award, Hustle Award, etc. The ineligibility does not carry over to a second season.
4. In the case of a Category A activity, the student must finish the season in good standing for the penalty to count.
5. For first conduct violations the Category A penalty is cut in half (rounded down) for a student who self-reports a violation under the following conditions. Self reporting does not apply to category B.
  - a) The student must report within 72 hours of the violation to **any** RASD administrator.
  - b) The student must report before **any** school administrator attempts to speak with **any** student about the alleged incident/violation.
6. If the student doesn't meet the penalty during the current season/activity period the remainder of the penalty carries over to the next season/activity period the student participates in.

**Self-Reporting Conduct Violation;**

- Student must report within 72 hours of the violation.
- Student may self-report to any school district of Ripon administrator.
- The self-report must take place prior to a school official calling for or speaking with **any** student about the alleged incident/violation or before a school administrator has knowledge of the incident/violation.
- Reduced penalty for self-reports are applicable to a “first violation” only. The “one time” self-reporting option applies only when a violation results from the self-report. The penalty will be reduced to approximately ten percent **for Category A- WIAA sponsored events only. The benefit of self reporting will not apply to Category B activities.**

**Second Conduct Violation:**

1. Category A (WIAA Sponsored) the student will forfeit fifty percent of the events. Category B (Non-WIAA Sponsored) the student will forfeit fifty percent of the scheduled events or performances. A penalty begins at the point school administration determines that a violation has occurred and has communicated that decision to the student and/or parent/guardian.
2. Student will be ineligible for a school letter and any awards indicated in #3 of the *First Conduct Violation* provisions. This provision will apply to the next season /activity if a student violates in the off-season. Awards earned by the team or by an individual in conference or WIAA tournament competition may be kept if the student has returned to good standing by the end of that team’s competitive season.
3. The high school administration will contact parent/guardian/student.
4. Student must finish the season in good standing for the penalty to count.
5. If the student doesn’t meet the penalty during the current season, the remainder of the penalty carries over to the next season the student participates in.

**Third Conduct Violation:**

1. Category A (WIAA Sponsored) and Category B (Non-WIAA Sponsored) the student will forfeit any and all extracurricular involvement including practice for one calendar year. A penalty begins at the point school administration determines that a violation has occurred and has communicated that decision to the student and/or parent/guardian.
2. Student will be subject to award provisions identified in *First Conduct Violation* (#3) and *Second Conduct Violation* (#2).
3. The high school administration will contact parent/guardian/student.

**Fourth Conduct Violation:**

1. Category A (WIAA Sponsored) and Category B (Non-WIAA Sponsored) the student loses the privilege to participate in all extracurricular activities during the remainder of his/her academic career.

**Category A (WIAA Sponsored)**

A contest shall be defined as the following:

	# of Contests			1st Violation		2nd Violation
	Max	Current		20%	Self-Report	50%
Baseball	26	(20)	GAME	4	2	10
Basketball	22		GAME	4	2	11
Cross Country	11		MEET	2	1	5
Football	9		GAME	2	1	4
Golf	14		MATCH	3	1	7
Soccer	24	(20)	MATCH	4	2	10
Softball	26	(20)	GAME	4	2	10
Tennis	14		MATCH	3	2	7
Track	20	(11)	MEET	2	1	5
Volleyball	15		MATCH	3	2	7
Wrestling	14		MATCH	3	1	7
Football Cheer						
Competition cheer						

- For example, Baseball and Softball double headers will count as individual contests. If a student athlete got a 1st violation and had to miss 4 contests, a double-header would count as 2 of the 4 contests missed.
- When figuring out the percentages of contests lost, .5 or less was rounded down and any number above .5 was rounded up.

- Number of WIAA maximum contests or Ripon scheduled games will be adjusted accordingly year to year.
- Percentages are based on our scheduled games not the WIAA maximum contests.

**Category B (Non-WIAA Sponsored)** Activities include: FFA, Chess Club, Musical, One/Three Act Plays, Student Council, ACTIVO, Outdoors Club, Winterfest/ Homecoming Court, Junior Prom Court, Academic Bowl, String Ensemble, Science Club, Forensics, National Honor Society, Spanish Club, Pit Band, Key Club, German Club, Math Team, Equestrian Club, FBLA, PRIDE Club, El Sueno, Craft Club, Ignition Mentors, League of Legends, Bowling Club, Swim Club, Multicultural Art Club and Youth Trap Shooting.

These are activities that have scheduled events, meetings, and/or performances. However, they do not have a schedule comparable to the athletic schedules or WIAA maximums in event numbers as listed in Category A.

#### DUE PROCESS/APPEAL

All students have the rights given by due process. If, after an investigation by a designated individual and the school administration of an alleged extracurricular violation, the participant is found guilty and still denies this guilt, an appeal is possible. A ruling of ineligibility will result in implementation of the appropriate penalty. Appeals will only be heard based upon a student's guilt or innocence, not on the severity of the penalty.

Within five (5) calendar days of the student or parent's initial receipt of the determination that a violation has occurred, the appeal process form must be submitted in writing, signed by the student and at least one parent or guardian, to the administrator who initially issued that determination. The appeal will then be given to the high school principal. The high school principal will have 72 hours to acknowledge the appeal and respond to appellants with a plan and timetable to address the appeal.

A participant and/or his/her parents may formally appeal the high school principal's decision in writing to the district administrator, provided an appeal is received by the district administrator within seven days from the first day of such ineligibility. After an appeal has been received, the district administrator will review the matter and will render a decision within five school days.

If the participant's appeal to the superintendent is denied, the student may make a final appeal to the Board of Education. The appeal to the board must be made in writing, within seven days of the Superintendent's decision, to the Clerk of the Board of Education.

The Ripon Area School District does not discriminate on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability or handicap.

## APPENDIX

### WISCONSIN INTERSCHOLASTIC ATHLETIC ASSOCIATION

#### 2018-2019 HIGH SCHOOL ATHLETIC ELIGIBILITY INFORMATION BULLETIN

To: Student-Athletes and Their Parents

From: Wisconsin Interscholastic Athletic Association and **Ripon High School**

Your high school is a member of the Wisconsin Interscholastic Athletic Association. The following rules and regulations are developed by the member schools of the WIAA and govern the participation by boys and girls in school athletics and in some instances, impact upon sports activities outside the school.

This information bulletin is a **summary** of the WIAA OFFICIAL HANDBOOK as it pertains to those rules and regulations. Both student-athletes and their parents should have an understanding of these requirements. Equally important is that student-athletes and/or parents talk to their principal or athletic director if they have any question about these regulations. For additional information on Rules of Eligibility see the WIAA Handbook, or visit the WIAA website at [www.wiaawi.org](http://www.wiaawi.org).

This bulletin does not discuss specific penalties for all violations. The reason is that penalties vary depending upon the nature of the violation. In addition, schools often have established penalties or periods of ineligibility, which are greater than the minimum prescribed by WIAA rules.

There also are exceptions and other permissive provisions in some rules. Student-athletes and their parents should discuss all athletic eligibility related situations with the school principal or athletic director who, if necessary, will get a decision, interpretation, or opinion from the WIAA office.

**Student-athletes, as well as parents are asked to read this bulletin, and then sign it and have their signature statement on file at their school prior to practicing and competing.**

These are WIAA eligibility rules, which are **current for the 2018-2019 school year**:

#### AGE

A student shall be ineligible for interscholastic competition if he/she reaches his/her 19th birthday before August 1 of any given school year.

#### ACADEMICS

A student-athlete must meet school and DPI requirements defining a full-time student and have received no more than one failing

grade (including incompletes) in the most recent school issued grade reporting period. Note: Some member schools adopt code and academic policies and other participation requirements which are more stringent than WIAA minimum requirements. In those instances, the school's requirements prevail and must be applied as written.

#### **ATTENDANCE**

A student-athlete is eligible for interscholastic competition at a member school if he/she is carried on the attendance rolls as a duly enrolled full-time Grade 9, 10, 11 or 12 student in that member school. (Subject to satisfying all other eligibility requirements.)

Note: A full-time student is further defined as one where the member school is responsible for programming 100% of the student's school day. The student is eligible for like or similar awards, privileges and services as all the other students and meets all obligations and responsibilities as other students, without exception.

- A. A student must complete eligibility in the four consecutive years starting with Grade 9 and the three consecutive years starting with Grade 10, unless there are documented extenuating circumstances and a waiver has been provided.
- B. A student is ineligible if he/she has graduated from a school offering studies through Grade 12 or its equivalent.
- C. A student who graduated in May or June retains eligibility for (a) any portion of a spring athletic schedule not completed by the end of the academic year and (b) the school's summer athletic schedule.
- D. A student is ineligible if he/she has not been enrolled in some school by the 17th day of a semester or trimester, except upon request of a school in special cases involving sickness, accident, military service, social services assignment, e.g.
- E. A student-athlete may not participate in school sports in more than four different years, and a student-athlete may not participate in the same sport more than one season each school year.

#### **DETERMINING RESIDENCE FOR PUBLIC SCHOOL STUDENTS**

A full-time student, whether an adult or not, is eligible for varsity interscholastic competition only at the school within whose attendance boundaries his/her parents reside, within a given school district, with these additional provisions:

- A. Board of Education approved full-time student(s), paying their own tuition and residing full time with parents in their primary residence shall be afforded eligibility. Transfer students are subject to provisions outlined in the transfers section of this document and in the Senior High Handbook.
- B. The residence of a student's guardians shall determine eligibility in cases where both parents of a student are deceased. The execution of guardianship papers in situations where one or both parents are living does not by itself make a student eligible.
- C. In the event of a divorce or legal separation, whether pending or final, a student's residence at the beginning of the school year shall determine eligibility, except in situations involving transfer after the fourth consecutive semester following entry into grade 9. For the purpose of this rule, attendance at one day of school and/or attendance at one athletic practice shall determine 'beginning of school year.' Under this rule, a student who transfers after the beginning of the school year shall be ineligible at the new school unless approval is granted by the Board of Control in accordance with the transfer and/or waiver provisions as described in the WIAA HS Handbook.
- D. A student whose tuition is paid by the school within whose attendance boundaries parents reside or by the state and is enrolled in a district approved program may be eligible at either school (first priority to school of residence) but (a) may not participate at both schools in the same year and (b) academic ineligibility accompanies student upon transfer. Transfer restrictions may also apply.
- E. A student whose tuition is paid by the school within whose attendance boundaries parents reside or by the state or who is participating full time in a legislated open enrollment option must meet all statutory timeline requirements. This provision extends the opportunity to decline attendance at the new school and continue at his/her school of residence. If the student begins the school year at the new school and then transfers back to school of residence after attending one or more days of school or one or more athletic practices, he/she shall be subject to transfer provisions as outlined in the transfer Section of this document.
- F. A student may continue being eligible in the same school even though parent(s) and/or student move from within that school's attendance boundaries, provided enrollment is continuous (unbroken in that school).
- G. After a student-athlete has not participated and/or has had their eligibility restricted for one calendar year due to reasons relating to residence and/or transfer, he/she becomes eligible.
- H. A student-athlete will not be eligible if his/her attendance at a particular school resulted from undue influence (special consideration because of athletic ability) on the part of any person.

- I. A student-athlete who has been declared ineligible at a school for disciplinary reasons, academic reasons or due to another State Association's provision retains that ineligibility status if he/she transfers to another school.
- J. Except in situations involving transfer after a student's sixth consecutive semester, a full-time student whose residence in a given district and attendance at a member school does not conform with any of the provisions outlined above shall be eligible for nonvarsity competition only, for one calendar year, unless a waiver is provided as outlined in the WIAA HS Handbook under Waivers. Transfer students are subject to transfer provisions as outlined in the transfer section of this document and in the Senior High Handbook.

#### **DETERMINING RESIDENCE FOR NONPUBLIC SCHOOL STUDENTS**

A full-time student, whether an adult or not, is eligible for varsity interscholastic competition only if the student is residing full time with parents in their primary residence with these additional provisions:

- A. In the event of a divorce or legal separation, whether pending or final, a student's residence at the beginning of the school year shall determine eligibility except in situations involving transfer after a student's fourth consecutive semester. For the purpose of this rule, attendance at one day of school and/or attendance at one athletic practice shall determine 'beginning of school year'. Under this rule, a student who transfers after the beginning of the school year shall be ineligible at the new school unless approval is granted by the Board of Control in accordance with the waiver provisions as described in the WIAA HS Handbook under Waivers. Transfer restrictions may also apply.
- B. Residing full time with guardians shall determine eligibility in cases where both parents of a student are deceased. The execution of guardianship papers in situations where one or both parents are living does not by itself make a student eligible.
- C. A student may continue being eligible in the same school even though parent(s) and/or student move from within that school's traditional attendance area, provided enrollment is continuous (unbroken in that school).
- D. A student who has been in attendance in a nonpublic, self-contained school (i.e. grades K-12 or 7-12) for at least one complete school year prior to reaching Grade 9 and has not broken enrollment during that time is eligible in that nonpublic school upon entering Grade 9.
- E. Except in situations involving mid-year transfer and/or transfer after the fourth consecutive semester students attending member residential schools shall be eligible at the member school provided they reside at the school or reside full time with parents in their primary residence.
- F. Except in situations involving transfer after a student's sixth consecutive semester, a full-time student attending a nonpublic school but not residing in accordance with any of the provisions outlined above shall be eligible for nonvarsity competition only, for one calendar year, unless a waiver is provided as outlined in the WIAA HS Handbook under Waivers.

#### **TRANSFERS**

A full-time student may be afforded up to eight consecutive semesters of interscholastic eligibility upon entry into Grade 9.

**Transferring schools at any time may result in restrictions being imposed on eligibility, or in some cases a denial of eligibility.** For the purpose of this rule, attendance at one day of school and/or attendance at one athletic practice shall determine 'beginning of school year.' These additional provisions relate to transfer cases:

- A. A student who transfers from any school into a member school after the sixth consecutive semester following entry into Grade 9 shall be ineligible for competition at any level for one calendar year, but may practice, unless the transfer is made necessary by a total and complete change in residence by parent(s). The calendar year (365 days) will be determined from a student's first day of attendance at the new school.
- B. Open enrolled and/or tuition paying students entering 9th and/or 10th grade at the beginning of the school year and who are within the first four consecutive semesters of high school will be afforded unrestricted eligibility provided all other rules governing student eligibility are met.
- C. Open enrolled and/or tuition paying students entering 11th grade are restricted to nonvarsity opportunities for one calendar year.
- D. Open enrolled and/or tuition paying students entering 12th grade as transfer students are ineligible to compete at any level for one calendar year, but may practice.
- E. 9th grade students who transfer after the beginning of the school year and with written consent from both schools directly involved shall be restricted to nonvarsity opportunities for the remainder of the school year. Restrictions are removed upon entering 10th grade.
- F. 10th or 11<sup>th</sup> grade students who transfer after the beginning of the school year and with written consent from both schools directly involved shall be restricted to nonvarsity opportunities for one calendar year (365 days beginning with first day of attendance at the new school).

- G. In the event of divorce or legal separation, whether pending or final, residence at the beginning of the school year shall determine eligibility for students entering 9th and/or 10th grade. In situations involving transfer after the sixth consecutive semester following entry into grade 9 the student is ineligible to compete at any level for one calendar year, but may practice.
- H. District policies with respect to intra-district transfer do not supercede WIAA transfer rules in situations involving post-sixth semester transfers. Intra-district transfers occurring after the sixth consecutive semester following entry into grade 9 result in the student being ineligible for competition at any level for one calendar year (365 days beginning with first day of attendance at the new school), but may practice.
- I. Unless transfer, including an accompanying total and complete change of parents' residence, is effective at the outset of a semester, a student cannot establish eligibility at his/her new school until the fifth calendar day of such transfer.
- J. If within the first four consecutive semesters following entry into grade 9, a student who transfers more than once in any given school year shall be ineligible for all interscholastic competition for the remainder of that current school year and will be eligible for nonvarsity opportunities only for the balance of the calendar year. In situations involving transfer after the sixth consecutive semester following entry into grade 9 the student is ineligible to compete at any level for one calendar year, but may practice.
- K. A student may not have eligibility in more than one member school at the same time. A parent or parents who move from a primary residence within one school's attendance boundaries, to a secondary residence within another school's attendance boundaries, may be required by the Board of Control to provide evidence of a total and complete move.
- L. A student who transfers from any school, whether or not a member school, with a status of ineligibility for disciplinary reasons, academic reasons and/or as a result of another State Association's regulation or sanction, retains such status at his/her new school for the same period as decreed by the former school. A student who transfers due to expulsion or removal for disciplinary reason from the previous school is ineligible for the length of the expulsion as determined by the previous school's Board of Education.
- M. No eligibility will be granted for a student whose residence within a school's attendance boundaries, with or without parents, or whose attendance at a school has been the result of undue influence (special consideration due to athletic ability or potential) on the part of any person, whether or not connected with the school.

**PHYSICAL EXAMINATION and PARENT'S PERMISSION**

A student-athlete whether an adult or not, must have written permission of parents to participate in school athletics, an emergency information form, and he/she must have a physical examination (signed by a licensed physician, physician's assistant or advanced practice nurse prescriber) every other school year.

A physical examination taken April 1 and thereafter is valid for the following two school years. Physical examination taken before April 1 is valid only for remainder of that school year and the following school year.

**TRAINING and CONDUCT**

A student-athlete must follow his/her school's code of conduct (training rules) on a year-round basis.

- A. A student-athlete who violates his/her school's code of conduct during the season of a sport (start of practice to final game) must be suspended from competition for a period of time specified in the code (minimum of one meet) if the violation involves (a) possession and/or use of alcohol, (b) possession and/or use of tobacco, including chewing tobacco and (c) use, possession, buying or selling of controlled substances, street drugs and performance enhancing substances (PES).
- B. The member school will determine minimum penalties for violation of any other provisions of its code of conduct, including out of season offenses and for any other unacceptable conduct contrary to the ideals, principals and standards of the school and this Association including but not limited to criminal behavior.
- C. A student-athlete who violates his/her school's code of conduct at times other than during the actual season of a sport must be disciplined by the school, the nature of such discipline to be determined by the school as indicated in its code of conduct.
- D. A student-athlete who violates any part of the school or WIAA's code of conduct resulting in suspension for any portion of WIAA-sponsored tournament competition must be immediately declared ineligible for the remainder of tournament series in that sport. During the WIAA Tournament, an ineligible athlete may not suit up.
- E. A student-athlete, disqualified from a contest for flagrant or unsportsmanlike conduct, is also suspended from the next competitive event.

- F. Any player who in the judgment of the official, intentionally spits on, strikes, slaps, kicks, pushes or aggressively physically contacts an official at any time shall be immediately ineligible for competition a minimum of 90 calendar days from the date of the confrontation. In addition, the player is ineligible to compete for the first 25% of the next season in that same sport.
- G. A school must provide an opportunity for the student to be heard prior to a penalty being enforced. If a student appeals a suspension, according to the schools appeal procedure, the student is ineligible during the appeal process.
- H. Schools/individuals are prohibited during the regular season and the WIAA tournament series from practicing for regional, sectional, and state tournament preparation at sites and facilities hosting WIAA tournaments.

#### **AMATEUR STATUS**

A student-athlete must be an amateur in all recognized sports of this association in order to compete in any WIAA sport.

- A. A student-athlete may not accept, receive or direct to another, reimbursement in any form of salary, cash or share of game or season proceeds for athletic accomplishments, such as being on a winning team, being selected for the school varsity team, or being a place winner in an individual tournament, e.g.
- B. A student-athlete may receive: a medal, cup, trophy or plaque from the sponsoring organization regardless of cost; school mementos valued not more than \$200; an award valued not more than \$100 retail for participation in an athletic contest in a WIAA recognized sport; and may retain non-school competition apparel worn by the student as part of the team uniform.
- C. A student-athlete may not receive compensation or benefit, directly or indirectly, for the use of name, picture, and/or personal appearance, as an athlete because of ability, potential and/or performance as an athlete.
- D. A student-athlete may not receive free and/or reduced rates on equipment, apparel, camps/clinics/instruction and competitive opportunities that are not identical for any and all interested students.
- E. A student-athlete may not be identified (with or without permission) as an athlete, provide endorsement as an athlete or appear as an athlete in the promotion of a commercial/advertisement and/or profit-making event, item, plan, or service.
- F. A student-athlete may not participate in school athletics or in sports activities outside the school under a name other than his/her own name.

#### **SPORTS ACTIVITIES OUTSIDE OF SCHOOL**

Athletes may compete in not more than two non-school competitions with school approval during each regular sport season. The contest(s) will not count against the individual maximum for the athlete in that sport. Nonschool competition will not be allowed during the respective WIAA tournament series in a sport. Violation of this rule results in loss of eligibility for the remainder of the season (including the WIAA tournament series) and forfeiture of the two non-school opportunities.

- A. WIAA rules do not prevent athletes from practicing with nonschool teams or from receiving private skills instruction during the school season. However, they may not participate officially or unofficially (including “banditing”) in more than two nonschool competitions or races, including scrimmages against other teams (with school approval).
  - (1) This restriction applies to normal nonschool games as well as “gimmicks,” such as reduced numbers competition (3-on-3 basketball, 6 player soccer, e.g.), specific skill contests (punt, pass, and kick, shooting contests, free throws, 3 point, e.g.), fun runs, etc.
  - (2) During the season, athletes may participate in a skills contest with approval of the school. Specific skill contests (punt, pass, and kick, shooting contests e.g., free throws, 3 point, drive, chip and putt) isolate separate skills outside of the traditional competition setting. The skill contest may not include physical contact or extreme fatigue as the actual sport competition. Fun runs are not considered skills contests. There can be no school coach involvement. All other eligibility rules including amateur status apply.
  - (3) A student who was a member of a school team during the previous year may not delay reporting for the school team beyond the school’s official opening day of practice in order to continue nonschool training and/or competition.
- B. During the school year before and/or after the school season of a sport and in the summertime, members of a school’s team may voluntarily assemble with their teammates (without school and/or school coach involvement) at their own discretion.
