

Present: Paula White, Jean Rigden, Seth Meinel, Bill Kinziger

Old Business:

- Paper Drive
 - Paula spoke to Mr. Pepler. There is a good chance to make the Paper Drive happen. There are some logistics to think about. i.e. paper bins separate from other recyclables, who will run the drive; This could make a very good project throughout the year.
 - What businesses could work with us? (We would need a bin here at the high school so that businesses could drop off their cardboard.) Paula's, Plaza Bowl, Webster's,
 - Would the Paper Drive cut into anyone else's business locally??? We do not think so at this point.
 - Next step...Seth will get Paula some names and phone numbers to get the ball rolling. Paula will update June 1.
 - Does Ripon Printers have any ideas on how to make this work???

New Business

- Reading Workshop
 - Excellent article...kids were articulate in their review of the class
 - The class is making some excellent progress in their reading
- Project Showcase Night
 - 90 people showed
- Lumen Selling Points
 - More options/electives
 - Parade of senior projects through Catalyst - If Lumen was this important to you, sell this school to Catalyst
 - College students who have graduated from Lumen is very powerful at convincing themselves that Lumen was the right choice.
 - Problem solving
 - Relevant seminars - video clip of what each seminar was about and what was done in each seminar
 - Strong culture / community
