2.0 Announcements, Recognition, Public Comments, Special Presentations

- 2.1 Thanks to our teachers - they are doing an amazing job!

3.0 Old Business

- 3.1 Ongoing interest in lifting enrollment caps in near future
 - 3.1.1 We really don't know what is going to happen with the play based school and what that will do to our numbers. We will just have to wait and see.

4.0 Reports

- 4.1 Curriculum-
 - 4.1.1 Virtual learning progress report--The kids are doing great with Google Classroom as they were familiar with it already. The biggest challenge is that only around 50% of kids are doing what they should be doing. Attendance is a big difficult piece, not getting contact with their teachers and classmates. Teachers are working together to try to get more student involvement-bouncing ideas off of eachother.
- 4.2 Principal/Council/Teacher Member Reports -
 - 4.2.1 Teacher candidate interview feedback: Hired Morgan Leonard as our new 3rd grade teacher. We can't wait to work with her!
 - 4.2.2 2nd round of interviews happening now for new school counselor
 - 4.2.3 Hired new school behavior interventionist
 - 4.2.4 Covid-19 support team ---website going live to provide more support for Families. Mental health support and other resources will be available on that Website
 - 4.2.5 Beth volunteered to organize some virtual lunch time activities, recesses....just other ways to keep the kids busy and chatting with their classmates and schoolmates

4.2.6 Virtual Field Trips-Jamie

-a group is working together to create some field trips virtually. Looking for local businesses to make short videos 2-4 minutes showcasing something they do. Jamie will email the group the google doc. Deadline is April 27th to turn in videos to Jolene. Still brainstorming how to deliver these field trips to the kids. This is for all K-5 kids

4.2.7 Schools will be closed until the end of the year. Trying to figure out summer school and how that will look-it may be virtual. Working on long range planning and how grading will be done. Fridays will now be a "catch up" day, small group work, one-on-one lessons, teacher collaboration day, and a day when interventionists can step in.

4.3 Fundraising Committee - Ideas for end-of-year?

-We will not do anything at this time - too hard virtually and it's a hard time for some families right now.

5.0 New Business

5.1 Plans for Spring Showcase and Quest GC elections

-We will not have a showcase night

-We have 4 spots available. Jamie, Dana, Beth, and Stephanie terms are up.

We will send out google doc asking for those who would like to join our board. Then we will send out another doc for parents to vote. Will make sure to send to the 2nd grade parents to get some of them to hopefully join our board. This will all be done through IC. All of this will be done before our last meeting of the school year.

5.2 End of the year celebration-virtual talent show, or something fun like that. Beth will try to collaborate with Mrs. Muenchow to see if she is interested.

6.0 Advanced Planning

-Next meeting is May 21st, 2020 @ 4:00pm, virtually

7.0 Adjournment 5:00pm
