We have audited the accompanying financial statement resulting from the Wisconsin Charter School Program grant activity of Odyssey Academy of Virtual Learning, Inc. (Charter School), which comprise of the statement of activities for the year ended June 30, 2022, and the related notes to the financial statement.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the changes in Odyssey Academy of Virtual Learning, Inc.'s net assets resulting from the Wisconsin Charter School Program grant activity for the year ended June 30, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of Odyssey Academy of Virtual Learning, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1, the financial statement presented only the Wisconsin Charter School Program grant activity for the Odyssey Academy of Virtual Learning, Inc. and does not purport to, and does not, present fairly the changes in Odyssey Academy of Virtual Learning, Inc.'s financial position for the year ended June 30, 2022 in accordance with accounting principles generally accepted in the United States of America. Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Odyssey Academy of Virtual Learning, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Restrictions on Use

Our report is intended solely for the information and use of Odyssey Academy of Virtual Learning, Inc. and the Wisconsin Department of Public Instruction and is not intended to be and should not be used by anyone other than these specified parties.

ADDITIONAL REPORT

**Independent Auditors' Report on Internal Control Over Financing Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statement Performed in Accordance with
*Government Auditing Standards***

To the Board of Education
Odyssey Academy of Virtual Learning, Inc.
Ripon Area School District
Ripon, Wisconsin

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States the financial statement resulting from the Wisconsin Charter School grant activity of Odyssey Academy of Virtual Learning, Inc. (Charter School), which comprise of the statement of activities for the year ended June 30, 2022, and the related notes to the financial statement, and have issued our report thereon dated December 5, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered the Charter School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of the Charter School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention to those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We consider the deficiencies described in the accompany *schedule of findings and responses* as 2022-001 and 2022-002 to be significant deficiencies.

To the Board of Education
Odyssey Academy of Virtual Learning, Inc.
Ripon Area School District
Ripon, Wisconsin

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Charter School's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Barlow Park Charter School, Inc. Responses to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Charter School's responses to the findings identified in our audit and described in the accompanying schedule of findings and responses. The Charter School's responses were not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Charter School's internal control and compliance. Accordingly, this communication is not suitable for any other purposes.
