Ripon, WI - On December 10, 2024, Ripon Area School District Superintendent Dr. Mary Whitrock notified the Ripon School Board of her intent to retire at the end of the 2024-2025 school year effective June 30, 2025 via the [attached letter](#). She shared the following message with staff and parents:

"I wanted to let you know I will be retiring at the end of the school year. I have been in education for over 30 years and have been so fortunate to have Ripon be my final stop. What an incredible district filled with so many incredible people! I feel so blessed to have joined the Ripon Area School District family in 2013. I am so fortunate to work with such a talented and caring Board and staff; and serve such caring and loving families!"

The School Board will officially accept her retirement at the December 16, 2024 School Board meeting. The Board will also have a closed session item to discuss the process for selecting the next leader of the Ripon Area School District who would begin July 1, 2025.
