Bad cafeteria design. Hard to have multiple menu choices and room for kids to decide. Need to update seating options. Small cafeteria means too many students, shorter lunch times. Cafeteria lunch plan not enough time to eat, especially if taking school lunch. Limited space options to add services. Need modern cafeteria. Round/tall tables, alternative seating, more room. GENERAL COMMENTS GENERAL COMMENTS Not enough green space. Location to fields and high school. Limited green space, lots of pavement. Location by football field is good. Contralized location, able to use Ingalls field. Building is 70 years old. 2 stories not especially friendly. Demolish this building. Geographic location within community. Close to track and activities outside. Doesn't flow. Space is utilized awkwardly. Stablished community location. Great central location. Help facilitate shared use of field and classes at High School. Lack of room for facility expansion. Old building. Lots of maintenance issues. Close to high school. Location by athletic field. Old and outdated (2). Location convenient to high school. Can share auditorium,
