SUMMER SCHOOL BUSING

RURAL BUSING

(For students in Pre-kindergarten and Grades K-12)

Summer school bus service is provided on a limited basis via a “cluster” approach rather than the “door-to-door” approach used during the regular school year. Rural students will ride on one of the four rural bus routes and board the bus at any safe pick-up point along the route.

Rural sites used for pick-up and drop-off are not supervised. Parents are encouraged to wait at the site with their children in the morning until the bus arrives and to be at the site when the bus returns after summer school. Parents and students are reminded that summer school bus service is a privilege. Students will be denied bus service if they are not behaving in an appropriate manner.

If you wish to utilize this service, please complete the **Summer School Transportation Request (Form G)** that is part of this booklet and return it with your summer school registration. You will be notified of the bus number and approximate pick-up and drop-off times the week before summer school begins. Students who ride the bus must be enrolled in classes from 8:00am – 12:00pm.

IN-CITY SHUTTLE BUSING

(For students in Pre-kindergarten and Grades K-12)

City students attending summer school classes may be picked-up or dropped-off at the Hall/Spaulding shelter, Murray Park School, Ceresco Park shelter, or Barlow Park School. These sites are supervised. Students enrolled in the **12:30pm session** of swimming lessons may be dropped off at the high school.

If you wish to utilize this service, please complete the **Summer School Transportation Request (Form G)** that is part of this booklet and return it with your summer school registration. You will be notified of the bus number and approximate pick-up and drop-off times the week before summer school begins. Students who ride the bus must be enrolled in classes from 8:00am – 12:00pm.

If you have any questions regarding summer school busing, please contact Britnie Meyer at meyerb@ripon.k12.wi.us or 748-4600
