**Changes to School Board Meeting Dates and Time**

**Ripon, WI** – At their August meeting, the Ripon School Board unanimously approved changes to their meeting dates and times through the fall. The Ripon School Board meetings will be held on the third Tuesday of each month at 6:00 p.m. in RHS room 167 during the months of September through December. The meeting change was made to accommodate the work schedule of one Board member. The change will allow all Board members to be present at meetings and to participate in decisions. High School Student Council President Caroline Brumley attended the August Board meeting and will continue to attend the meetings each month. The addition of a student council representative is intended to add student perspective to the table as topics are discussed and questions are asked.

Any comments or suggestions, please contact Mary Whitrock at (920) 748-4600.
